FEDERAL CREDIT UNION

July 2025

www.castpartsfcu.org

New Member Referral Program Increases to \$100!

You can now earn more cash for each referral you send to Castparts Credit Union. We have increased the referral reward from \$50 to \$100! For each new member you refer to the Credit Union you earn \$100 and the new member earns \$100.

With our recently expanded field of membership, more people qualify to become a member. Ask your family members, coworkers, friends and neighbors if they'd like to earn \$100 and join a Credit

Union that provides exceptional service. If the referred member opens a checking account with direct deposit, you earn \$100 and they earn \$100.

New accounts can be opened in person or online at www.castpartsfcu.org.

Refer as many new members as you like – you'll receive \$100 for each qualified referral.

KEY CHANGES TO FUNDS AVAILABILITY

- The first \$275 (previously \$225) of a check deposit will generally be available no later than the first business day after the day of deposit.
- The threshold for large check deposits subject to extended holds has increased to \$6,725 (previously \$5,525).
- For new accounts, the amount of deposits available within the first business day has increased to \$6,725 (previously \$5,525).

These updates align with adjustments mandated by Regulation CC. Our general policy remains the same—most deposits will continue to be available on the day of deposit. However, certain check deposits may be delayed for a longer period under certain circumstances.
